End of Year Bookkeeping

Wednesday, January 20th

Eretta Richardson from Grant Thornton will explain the importance of using an organized filing system and how it will help you to better understand the financial position within your organization. Eretta will also expand on the importance of good bookkeeping, providing solutions to minimize your expenses, which may lead to increased revenues.

Technology; How it can work for your business

Wednesday, February 3rd

For small business, the technology that's available today is very helpful. You can do so much more with less overhead and a great sense of control. From Blackberries to iPhones, zip disks to remote data back ups, Kyle Selle from Sellebration Productions will discuss why your business will benefit from incorporating technology into your business. This is a great seminar you won't want to miss!

2010 Funder's Forum

Thursday, February 25th, 8:30 am – 3:00 pm

at The Best Western North Bay

The Canadian Revenue Agency (CRA) and the provincial governments will ensure that businesses receive the information that they need, when they need it, for the transition to the federal administration of the Harmonized Sales Tax. Please join us as we welcome a CRA representative to present on the topic as well as E-Business Services.

This event will also be followed by a Funding Opportunity Tradeshow! Learn about the different funding opportunities and funding organizations that are available to your business.

Space is limited! Please call The Business Centre today to register.
